Sir:

I would like to introduce myself. I am 63 years old, born and raised in Kansas, married for 40 years and raised 3 children. I have farmed my whole life with my father and brothers.

We have always been outdoor people. In the 90's, some nantesiden hunters wanted us to take them hunting, we did and they paid us. we thought that was wonderful, to hunt and get paid for it. So I got my guide license with the State did some advertising and had some good clients built up. I guess word got around, and the state thought they would check us out. A state warden and a federal warden booked hunts with me for 2 years, I didn't know they were wardens. A year later I was arrested and charged with 6 counts of the Lacey Act. Each Count Carrys \$250,000 fine plus 5 years prison. I plead out 11,500⁰⁰ restitution 3 yrs. probation and a class D felony. My brother also got a felony. I am just hitting the high points it much more detailed but didn't think you would a blow by blow description of everything, but I will if you want.

The only way we can get our 2 Amendment rights back is with a presidential pardon. I've talked to Randy Henderson, U.S. Attorney, he prosecuted us, he advised me to go this route and contact your office and see if you would help us.

We will do anything you want for this process to end on a ~~note~~ positive note. If you need more info, let me know. I've enclosed my paper work of my brothers. I've sent a copy to Washington so that process is in the grind. Excuse my Whitting but this is my sincere way to ask for your help.

Best Regards
Ron Britt
